Cr. S. G. McIntosh Shire President

Pictured above is Cr. S. G. McIntosh (left) receiving the keys of the municipality and being congratulated by Cr. J. J. Ginifer. Photo by Barry Sutton, 65-6017.

Altona Council has elected Cr. Stanley Gordon McIntosh Shire President to succeed the late Cr. Vincent Lawrence Hearn.

At the council meeting last Tuesday night the only absentee was Cr. G. den Dulk, who is on holidays interstate.

Cr. J. J. Ginifer was appointed chairman and the presidential allowance for the balance of the council year (to August) was fixed at £500.

Cr. H. W. Lee moved and Cr. K. Jurga seconded the motion that Cr. McIntosh be appointed president. This was agreed to with acclamation.

Cr. Ginifer then declared Stanley Gordon McIntosh duly elected, congratulated him and handed over the keys of the municipality.

Cr. McIntosh thanked the councillors for the honour. He said he would do his best and try to equal the achievements of past presidents.

He regretted he was in the position because of the untimely death of Cr. Hearn. Cr. McIntosh told councillors he would work with them as he hopes they will work with him towards a prosperous year.

Cr. Ginifer then moved that Cr. H. W. Lee be appointed

Deputy Chairman. Cr. W. G. Cresser seconded the motion. This was also carried with applause.

Cr. McIntosh congratulated Cr. Lee whom he believed would be an ideal deputy.

Cr. Lee thanked the councillors for the honour and said even if he gets no further, to have reached this position is something achieved. He said he would co-operate fully at all times with Cr. McIntosh.

Shire Secretary, Mr. J. W. Waters, on behalf of the staff, said he had no hesitation in offering full co-operation to the new Number One Citizen

and his deputy. He congratulated them on their elevation. Mr. Waters also referred to the shock caused by the illness and death of Cr. Hearn.

At supper after the conclusion of the meeting, the father of the council, Cr. W. G. Cresser, proposed a toast to Cr. McIntosh who fittingly responded.

Cr. A. Fisher in turn proposed the health of Cr. Lee. After his reply Mr. Waters added appropriate remarks.

ALTONA 1966

Shire President, Cr. S. G. McIntosh, is generally in enthusiastic agreement with the "Altona Star" article of January 20 headed "Altona—1966."

This feature which has created some interest indicated possible aims for Altona this year.

Cr. McIntosh thinks all the suggestions are achievable, though not all this year.

Mrs. MARY EVANS ALP ENDORSED

The sad loss to the Altona community and the Australian Labor Party, by the unfortunate death of Cr. Hearn, has necessitated an extraordinary election of one councillor on Saturday, February 26, 1966.

With the closing of nominations next Tuesday, February 8, the Victorian Executive of the Australian Labor Party have selected Mrs. Mary Evans, of Civic Parade, Altona, the only woman among four candidates who sought the endorsement, as the endorsed ALP candidate for the Altona Council vacancy.

Mrs. Evans, born in Altona at the old community hospital in Pier Street, is the mother of two young daughters of school age, she is an excellent candidate with an intense interest in the affairs of local government, and an outstanding ability in achievement of any duty she has been asked to carry out.

She has represented the Altona branch of the ALP to the Womens Central Organising

Election Possibilities

The nomination of one candidate for the council election has been assured by the endorsement by the Victorian Executive of the Australian Labor Party candidate Mrs. Mary Evans.

Nominations close on February 8 and until that date no definite indication of the possibility of an election can be given.

Prospective candidates will realise that conditions at this election are not in line with those of the ordinary poll in August, 1965. Then with three candidates opposing three retiring labor candidates, voting to the ticket was strongly followed by both parties.

The personal characteristics of candidates were largely subordinate to the need for a united front.

In this by-election no such need is evident. The personal attributes of each candidate would come under closer scrutiny. This is all to the good.

There will always be those who will vote for or against the labor nominee because of their political associations. There will be a number on the other hand who will be

more influenced by personal preference or knowledge of the ability of the respective candidates. Judging by the experiences of Williamstown and Sunshine this section could dominate an election.

A further consideration for council aspirants is the knowledge that the successful candidate will need to re-contest the election in August.

If the seat is held by labor then in August Mrs. Evans would stand for election with the other retiring labor candidates.

However, if a non-labor citizen contests and obtains the vote he will meet concerted and more effective opposition at the ordinary election. He would have only six months in which to consolidate his position.

Committee of the Victorian Branch for the past four years as well as a member of the Executive Committee of the Altona branch, she was treasurer for the year 1965, and elected unopposed as vice-president for the year 1966.

The winning of the endorsement is considered by the Altona branch to be a reflection of her ability, and justifies her place with the proven all Labor council team.

LAVERTON PARENTS PROTEST AT SCHOOL CONDITIONS

A number of parents are objecting to the temporary accommodation being occupied by the third graders attending the Armstrong Street Primary School, Laverton, which is in the housing estate, north of the Geelong railway line.

The 120 children and their teachers are being taken by bus to the unused Queen of Peace School south of the Geelong railway line.

However, some parents consider the toilets, drinking and washing facilities are a threat to the health of their children and are keeping them at home.

Approximately 800 children are enrolled at the school, including 125 beginners.

Teaching staff is adequate but at least three extra rooms are required.

The Queen of Peace Catholic School which was closed through shortage of teaching staff has been temporarily leased to overcome the problem.

However, within the next two months it is expected that four portable classrooms will be sent to the Armstrong Street School to be occupied by the Grade 3 pupils.

Parents of the third graders organised a protest meeting yesterday morning and invited the Hon. A. W. Knight, MLC, to inspect the temporary accommodation.

All agreed the classrooms are large enough but complain that facilities are practically non-existent.

Toilet facilities are inadequate and left open at all times, down pipes drain into the drinking troughs, there are only two hand basins, no shelter sheds, no outside seating and no provision for children's lunches. There is no telephone and no car available. If a child is injured or sick the teacher in charge would have to walk to the Post Office to ring the main school.

Parents fear an outbreak of hepatitis or other contagious disease.

Mr. Knight agrees that necessary facilities are sadly lacking and promised parents he would immediately contact the Minister of Education. He said the extra rooms for the Armstrong Street School are a No. 1 priority and he would do all he could to see they are quickly erected.

EPSOM STREET PRIMARY
In contrast the Epsom Street School reports a trouble free opening.

Enrolments are up a little to 153, accommodation is adequate and they have sufficient staff.

A SUCCESSFUL IMMIGRANT

The new Altona Shire President, Stanley Gordon McIntosh, who resides at Cambridge St., Seaholme, is married with three children, Jacqueline, Robert and Deanna.

Arriving from Scotland 14 years ago he has been a resident of Altona for most of that time—13 years.

Cr. McIntosh was elected to the Altona Council in 1960 and re-elected unopposed in 1963. As Deputy Shire President he acted as president during the late Cr. Hearn's illness. By unanimous vote of the council he has now been placed in the highest Altona office.

When Cr. McIntosh arrived alone in Australia he had 4jd. in his pocket. Fortunately he obtained a job next day. Looking for cheap land for a home he had to choose between Dandenong and Altona. The English migrant settlement at Seaholme was his choice. After bringing out his wife and family he was so enthusiastic about his place in Australia that his mother, sister, brother and families followed him. His sister and family are residents of Seaholme. His brother is at Beaumaris.

Cr. McIntosh is the first member of his family to become interested in local government.

Asked if he would like to go home again he replied, "Australia is my home."

As to his particular interests, Cr. McIntosh spoke of youth activities in Altona and the further development of Altona in housing subdivisions.

He is particularly eager to have the Premier's agreement to developing the explosives reserve as a residential area and to see a start made on the Cherry Lake scheme.

Cr. McIntosh is an auctioneer with Metropolitan Auctions at Clayton.

EDITORIAL

BACK TO SCHOOL

The return to school brings to Altona its recurring problems—new enrolments and staff difficulties.

Some of Altona's more essential needs were expressed at the crisis in education meeting held last year.

At the commencement of another school year emphasis could well be given to certain requirements which we believe it is necessary to compliment our present educational facilities.

The technical school is making a valiant effort to achieve the first—an assembly hall. With the government grant available this could be a possibility. It would be an asset to the school and Altona. Assembly halls should be a must for secondary schools.

A chaplain for at least one of the high schools should be aimed at. With approximately 20 Melbourne secondary schools endowed with chaplains Altona is lagging behind in a most important adjunct to the well-being of scholars.

A strengthening of mothers clubs and working committees is a permanent need. The voluntary help given to schools in Altona has been notable. There is always room and a place for those interested.

Dedicated teachers—we have many such in Altona. Those who go beyond obligation, duty and responsibility and feel above all the needs of the child. We have many such but we can't have too many.

The greatest need is for sympathetic and understanding parents. That child is most fortunate who has a parent who is at one with it in its all important life at the school. The school should not compete with the home. Happy the teacher and the school whose interest and effort is complimented by the home.

A TRIBUTE TO Cr. V. L. HEARN

Dear Sir,

It is with a sense of great loss that the Altona Branch of the Australian Labor Party records the passing of Cr. Vincent Lawrence Hearn.

Few people, even within the ALP itself, would know just how much all of us in this community owe to this quietly spoken, but very persevering man.

It was no small tribute to his ability that he was affectionately known as the "Father of the Branch" although the branch had been created more than 10 years before his arrival in Altona.

In 1959 the stocks of the Altona branch were at an all time low, many months passing without a meeting being held because of the lack of members. Vin Hearn began a one man crusade to attract people to the ideals of the Labor Party. He succeeded, and it is to this effort that the branch owes its present position of being recognised widely as one of this State's strongest and most virile ALP branches. He became the branch secretary with the re-organisation of the branch and not one of the present members would deny Vin Hearn's place in the regeneration of the Labor Party's prestige in Altona.

Again few people would know the conflicts and pressures that beset his private life, but his courage and loyalty in these conflicts may be equalled, it could never be surpassed. A deeply religious man whose faith in his religious beliefs was equalled only by his faith in the ideals of the Labor Party, he was the greatest example of how a man could devote his utmost loyalty to both politics and his Catholic faith and yet never allow one to interfere with the other, as many lesser men have done when faced with the same situation.

A great humanitarian, who never refused an opportunity to help others in need, led him to accept office in Altona Council under the banner of Labor. It was here that many of the important advances in the progress of this community were due to, not so much his initiating of progressive ideas, but to his wisdom and restraining, sometimes of his colleagues with more radical ideas and thereby achieving a well balanced solution to the propositions being considered.

It must not, however, be viewed in the sense that Vin was not a man of initiative, to the contrary many items of progress are due directly to his personal endeavours, apart from his work in the Labor Party, the Altona Historical Society owes its early creation to his inspiration, and was one of his great loves and this interest in the Altona history sprang from the deep affection he held for the community of his adoption. It was this quality that made him a truly great representative of the Altona people in council, and in his all too short a term as the president of the municipality.

Many things have and will be said of the relative merits of Vin Hearn, but no person could deny that his place in history is deserving of the highest claim and when the history of Altona is finally written that his name will be recorded the respect and admiration it so rightly warrants.

It is therefore in the knowledge that all who were privileged to have known him have been richer for the experience that we say with great sorrow, "Vale Comrade." His memory will always convey to us, the highest ideals of sincerity, integrity, and loyalty, in the best traditions of the Australian Labor Party of which he was so proud to be a part.

To his family whom he leaves behind we extend our deepest sympathy and with it goes the assurance that the memory of Cr. Vincent Lawrence Hearn will be held in great respect and will shine as a beacon of inspiration to all those who follow in his path.

—For the Australian Labor Party, Altona Branch.

Commonwealth Scholarship

A commonwealth scholarship has been awarded to 17-year-old Barry Critchley, son of Mr. and Mrs. H. F. Critchley, of Karingal Street, Altona.

Barry, a student at Sacred Heart College, Hamilton, sat for matriculation examinations in five subjects at the end of last year. He passed all five subjects, three with honours.

Barry has also been awarded a studentship and is in the running for a CRB cadetship. With the Commonwealth Scholarship he can do a combined law and commerce course at Melbourne University.

Another Critchley son had a successful year. Eighteen-year-old Maurice, who also attended Sacred Heart, passed five matriculation subjects with one honour.

Maurice was unable to get into Melbourne University, but has been offered a place at Monash. However, on account of the distance he would have to travel, Maurice is not going to Monash. He plans to study for a Diploma of Commerce at Royal Melbourne Institute of Technology.

HOME FROM WORLD TOUR

Stan and Thelma Foxcroft and their five-year-old son, Peter, of Chifley Avenue, Altona, returned home last Monday from a five months round the world trip.

Early last September they sailed on the P and O liner "Oronsay" and their wanderings since then have taken them to New Zealand, Samoa, Fiji, Hawaii, Canada, United States, Mexico, the West Indies, England and Europe.

In London they rented a flat and spent two weeks sightseeing before starting on a 4000 mile motor tour of England, Scotland and Wales, including a visit to Sir Winston Churchill's grave in the tiny village church yard at Bladon.

They crossed to the Continent and after an expensive weeks shopping in Paris, toured France, Belgium, Holland and Germany. Christmas was spent at Cologne with their friend Mrs. Maureen Wind, of Williamstown.

Leaving Germany they spent a wonderful week at Innsbruck in the snowfields of the Austrian Alps before descending down the Brenner Pass into Italy. They visited Verona, Venice, Florence, Naples, Pisa, the Italian Riviera and spent a glorious week in Rome which they were reluctant to leave.

On returning to Genoa they embarked on the "Marconi" for the trip home via Port Said, Aden, Bombay and Fremantle.

On arrival they were eagerly met by their 18-year-old daughter, Pat.

HOLIDAYS

How many people arrive home from vacation wishing they could go off on another holiday.

Mr. and Mrs. G. Forbes and their two daughters, Judith and Jennifer, of Rayner Street, Altona, were able to do this.

Two weeks over the Christmas period was spent at Mansfield then after being home for two weeks they took off for another fortnight's holiday. The second vacation was spent at Barwon Heads, Peterborough and Blackwood. You should ask them about the plentiful crayfish they caught at Peterborough.

Some of the nearby hills' resorts used to be known as the other "Altona"—so many Altona residents would be holidaying at them at the same time.

This seems to now apply to Wilsons Promontory.

Just over the ANA weekend several Altona families were noticed at Tidal River.

They included Mr. and Mrs. Eric Scherman and daughters of High Street; Mr. and Mrs. Harold Petersen and sons of Queen Street; Mr. and Mrs. Francis Keeshan, Linnett Street; Mr. and Mrs. Bill Rice and family of Maidstone Street; Mr. and Mrs. Graham Daley and family of Fenfield Road; Mr. Harold Walker of Romawi Street; Mr. and Mrs. Don McCauley and family of Maidstone Street; Mrs. Ada McCauley of Davies Street; Mr. and Mrs. Cec Keeshan and family of David Street.

Guides and Brownies LOCAL ASSOCIATION

The next Local Association meeting will be held at Mrs. Keeshan's, 69 David Street, at 7.30 p.m. on Wednesday, February 9.

2nd ALTONA BROWNIES

The 2nd Altona Brownie Pack will resume on Friday, February 4, 1966, at 4.30 p.m. till 6 p.m. at the 1st Altona Scout Hall.

SPASTIC AID

The last meeting for 1965 was held on Tuesday, December 14 at the Homestead in Queen Street.

Mrs. Andrews, secretary-supervisor from Chis-Lon, was the guest speaker for the afternoon. In the absence of the president, who was ill, the secretary presented a further cheque for £200, making a total for the year of £700.

Mrs. Andrews thanked the committee and then spoke on the work being done at the centre, how the occupational unit was now in full swing and also on the type of work these folk were doing—helping them to feel they were also very important and capable of earning wages like any other person.

Sincere thanks for all who have helped in the past and trust that 1966 will be much brighter and happier, knowing you have helped spastic children and adults to help themselves.

First meeting for 1966 will be next Tuesday, February 8, commencing at 1.30 p.m.

Mothers' Clubs

Mothers of new students are invited to attend the first meeting for 1966 of the Altona High School Mothers' Club at the school next Tuesday, February 8, at 1.30 p.m.

The Altona Primary School Mothers' Club will hold their first meeting for 1966 at the school on Wednesday, February 9 at 1.30 p.m. Mothers of all children attending the school will be made welcome.

Ballet Classes To Re-Start

Miss Denise Bellin has resumed her ballet classes at the Laverton Memorial Hall.

Classes for all ages are held in Ballet, Musical Comedy and tapping each Wednesday evening at 5.30 p.m.

ALTONA DRAMA GROUP

Members of the community who left Altona before Christmas for their summer vacation may not be aware that the Altona Drama Group was formed last December.

Although the Drama Group was proposed at a time when culture was the main topic of discussion in Altona it had been contemplated long before and did not come directly as a result of the adverse publicity received by Altona recently. The formation of a drama group was inevitable but it was felt by the proposer Gwladys Winfield that with the sudden emphasis on culture resulting from the Pier Street incidents immediate action was necessary. Consequently a meeting was held to "start the ball rolling" for it was felt if such a group was to be formed then it should be formed by members of the public themselves rather than through the endeavours of the council.

At the same time there was some talk of the Williamstown Light Opera Company moving to Altona but there is no need to import talent or culture when Altona already has these things. A drama group is just the thing needed to stimulate such talent and culture in Altona. With these points in mind a meeting was called halfway through December in order to find out if anyone was interested enough to be in such a group.

Although less than a dozen people attended the number was sufficient enough to form a working committee and put forward a few suggestions and proposals. It was unanimously agreed that one of the main purposes of the group should be to foster the public's appreciation of drama as a culture in Altona. Also the formation of the group should provide a challenge to people of any age in that they now have something worthwhile to devote some of their leisure time to. Anyone interested is welcome to participate in something they will gain great benefit from, no great talent is required as proficiency may be gained through practice.

The first meeting of the newly formed group will take place on Monday, February 7, at 8 p.m. in the Youth Centre in Civic Parade. It is intended to have a play reading of the "Tri-Coloured Suite"—a fantasy by Jean Anouilh, and a short meeting to discuss the draft constitution and other matters.

Anyone interested will be most welcome to attend as new members are required in order for the group to progress.

First Granddaughter

Mr. and Mrs. A. E. Partridge of Civic Parade, Altona, welcome their first granddaughter (Debra Leanne), who arrived on Saturday, January 29, at Williamstown Hospital. A sister for David Jon.

Thank-you Valerie and Geoffrey.

Mildura Carnival to Altona Life Savers

Competing in the Royal Life Saving Society's Country Carnival at Mildura last Sunday, Altona scored most points and won the Aggregate Trophy.

A combined barometer and thermometer in the shape of a ship's anchor will now grace the walls of the Altona clubhouse.

Clubs taking part were Mildura, Altona, Black Rock, Carrum, Parkdale, St. Kilda, South Melbourne and Williamstown.

The business people of Mildura donated trophies for all events and Altona gained two of these in addition to the Aggregate Trophy.

The girls Reel and Line team scored a convincing win in this event and Sandra Butters won the Girls Open Swimwade.

- Other placings were—
- March Past, 2nd;
 - Mens Reel and Line, 3rd;
 - Mens Alarm Belt 3rd, R. Swarbrick;
 - Mens Belt and Reel Race 3rd, P. Stokes and B. Jablon-ski;
 - Mens Swimwade, Under 18 2nd, C. Cotter, 4th, I. McCulloch;
 - Mens Swimwade, Under 16 2nd, C. Mellett, 3rd, J. McLean;
 - Girls Swimwade, Under 16 3rd, A. Hudson;
 - Mens Flag Relay, 2nd.

A barbecue picnic was held nine miles upstream on Saturday afternoon. Members travelled on the paddle steamer "Melbourne," which was brought to Mildura from Eucfre last August and completely refitted. A violent thunderstorm broke out just before the return trip to Mildura, but despite the unpleasant conditions the life savers spirits were not unduly dampened. The skipper of the "Melbourne" will vouch for this as he came in for a great deal of good natured banter.

The weather for the carnival on Sunday was perfect, though somewhat cooler than one expects in Mildura at this time of the year. The venue was on the sand bank on the bend of the river at Apex Park. It is a beautiful spot and anyone visiting there for the first time is amazed at the amount of sand.

There is possibly more and cleaner sand there than on any of the bayside beaches of comparable length. Admittance charges to the park raised just over £99 for the Mildura Club and a collection on the beach brought this to over £105.

OPENING OF CLUBHOUSE

Following the march past, the State President of the Royal Life Saving Society, the Hon. Murray Porter, MLA, officially opened the new Mildura clubhouse. He congratulated the club members on the hard work put in, which together with a grant from the State Government had made the clubhouse possible. He stressed the importance of life saving and the teaching of swimming and resuscitation to the younger members of the community.

The carnival was officially opened by the Mayor of Mildura, Cr. R. Burr, who congratulated the Mildura Club members for the fine job they were doing not only in life saving but in fostering the spirit of competition and sportsmanship. He particularly mentioned the hard work put in by the club president, Mr. Jim O'Neill, over the years which had made the new clubhouse possible.

In response Mr. O'Neill thanked the members for their efforts, also the council and townspeople for the great support which had been given.

A great deal of credit for the success of the carnival must go to the society's country liaison officer, Mr. Harold Walklate, who spent a week in Mildura making all the necessary arrangements for the carnival and billeting the competitors. He compered the afternoon in his usual inimitable manner.

New Soccer Coach

Altona Soccer Club is setting its target high in 1966. It intends to win the Second Division pennant.

Last year Altona played in Division 3 and finished the season second top. This gained Altona promotion to Division 2. Recognising that the high standard of play in Division 2 will require an even better effort than last year, Altona has looked for a top coach—and found one.

He is MARIO GRECO, who has been signed by Altona from top State League club JUST. Mario Greco is an experienced soccer expert and will be extremely valuable to Altona in its efforts to gain promotion to Division 1.

The Altona Soccer Club commences training on Monday, February 7, at 5.30 p.m.

Failed to Yield Right of Way

Paul Pace, of William St., Newport, pleaded guilty to a charge of failing to yield right of way to a car on his right at an intersection. He was represented by Mr. J. Winneke.

First Constable S. J. Berry, of Altona, told the Williamstown Court he attended an accident on June 15, 1965, at the corner of William and Ross Streets, Newport. He saw a bicycle jammed under a car. The cyclist had already been taken to the hospital and he spoke to Pace, the car driver. He told him he had just started his car and was still in second gear when a cyclist suddenly came out on his right and he was unable to avoid colliding with him.

Mr. Winneke told the Court it was an early June morning at 7.15 a.m. and misty. His client's car was fogged up as he had to leave it outside his home, though he hosed it down. He was not going very fast and just did not see the cyclist in time.

Mr. J. F. Kean, SM, fined Pace £7 with £2/8/- costs.

FINED AFTER CRASH

Anthony Thomas Murphy, of Parker Street, Williamstown, was fined £8 with 6/- costs for failing to give way to the vehicle on his right at an intersection.

Rupert James Ash, of Crocker Street, Newport, told the Court he was on the defendant's right at the intersection of Salisbury and Jack Streets, Newport, on October 23, 1965, when they collided.

Butcher Fined

Donald Siphthorpe, of Somers Parade, Altona, was fined £6 with 6/- costs for selling adulterated sausages on December 13, 1965.

Mr. J. Mellors, Senior Health Inspector for the Shire of Altona, gave evidence of buying the sausages and having them analysed. He agreed with Mr. Siphthorpe that it could have occurred because the flour was not properly mixed through the meat.

TABLE TENNIS NEWS

The eleventh round of matches was completed during last week and the twelfth round is now in progress.

In A GRADE contests Seagulls (J. Lawler, W. Rosenzweig and T. Ryan) reached peak form with a narrow win at 6-5 from the second team, Altona (A. Walker, J. Montgomery and L. Cox). Level at five all, Jack Lawler defeated former A Grade champion Alby Walker, 19-21, 21-18, 21-14, to clinch the match for Seagulls.

ICI (R. Arnott, D. Stevenson and R. Wakelin), who held third place in B1, were surprised by Newport (E. Veiss, L. McWilliam and D. Wynne). Veiss and Wynne notched three wins each, giving Newport victory at 8-3 and setting ICI a difficult task to remain in the finals.

Also in B1 Altona (P. Bell, H. Goellner and T. Vitale) were a shade fortunate to meet Sunshine (H. Folkers, K. K. Schafer and B. Brody) when their third player could not attend. Three good wins by Tony Vitale enabled Altona to defeat Sunshine, who hold second place, 6-5.

Peter Bell, of Altona, will be married this week. Congratulations to Peter and his bride to be, and may they have many happy hours around the kitchen table and dining room table, plus some little time for association with their friends around a table tennis table.

Two improving teams fought out a keenly contested battle in C2. W. G. Goetz & Son (T. Molz, K. Winfield and D. Taylor) just managed to stave off a strong challenge by West Newport (R. Cox, H. Dettelsen and S. Luft) to win at 6-13 to 6-11.

ON THE WRONG SIDE

John Schmidt, of Ross Road, Altona North, was charged that on July 25, 1965, at Altona North he did drive on McIntosh Road carelessly and that he failed to keep as close to the left hand side of the road as practicable. He pleaded not guilty to driving carelessly and guilty to the second of the charges.

Daniel Stojanovic, of Fairlie Street, Yarraville, said he was driving along McIntosh Road, Altona North, on July 25 and near the intersection of Windsor Crescent, saw a car coming towards him on the wrong side of the road. He was as close to the gutter as possible and could not move any further to avoid the car and they collided. His brother, a passenger in the car, agreed with his evidence.

Alexander Hem, of McIntosh Road, Altona North, said he was standing on the footpath in McIntosh Road and saw a car approaching him doing about 25 mph. As it passed him he saw the driver turn round to some children in the back of the car. The car went onto the wrong side of the road and collided with an approaching car, which had no hope of avoiding it.

Schmidt told the Court his two sons were in the rear of the car and were distracting him. He turned round to say something to them and had his eyes off the road for probably a few seconds. When he glanced back he was on the wrong side and saw a car coming. He took evasive action but could not avoid a collision.

He was fined £5 with £9 costs for driving carelessly and the second charge was withdrawn.

HAD NO LICENCE

Hector Cochrane, of the Brooklyn Hostel, Millers Road, Brooklyn, was fined £5 for driving without being licensed.

He told police who intercepted him when driving in Kororoit Creek Road on September 5, 1965, that he had a current English licence and had been to the Mildstone Police who told him he could drive with it until it expired. He was a resident here now and did not have a Victorian licence.

Stole a Watch

Vincent Paul Licari, of Xavier Avenue, Hawthorn, was charged at Williamstown Court with stealing from a dwelling house at West Newport a pocket watch, the property of the Victorian Railways and valued at £7. He pleaded guilty.

Ryszard Rywotycki, electric train driver, of Severn Street, West Newport, told the Court on December 5, 1965, he went to the Newport Police Station and saw a watch there. He had been in possession of it but it belonged to the Railways and was valued at about £7.

Constable J. Brennan said he interviewed Licari and he asked him about a watch taken from a house on December 3. Licari said he was working at the house, saw it on a table and took it. He thought it was a stop watch and he was thinking of taking up being a jockey again.

Mr. F. Dann, JP, and Mr. M. Robinson, JP, fined him £10 or 14 days imprisonment and ordered him to pay 2/2 costs.

Cricket Held Up By Rain

Letter to the Editor

"ALTONA—1966"

Dear Sir,

The above headed article printed in the "Star" (20/1/65) interested me greatly and I hope that much is achieved along the lines suggested. Of particular interest was "a chaplain at one at least of our secondary schools".

The present position concerning Religious Instruction in our schools is such that the six Ministers (including Roman Catholic) working in the Altona area are taking classes in the schools and have to rely on support from their parishioners to help cover part of this teaching work. This leaves a vast number of classes without instruction of any kind. For example, the third form only at the technical school receives instruction, while no classes are conducted at the Altona North High School. Also, a number of classes in Altona and Altona West areas are without instruction.

In these modern days, with the trend towards a balanced form of education, this position seems more than anomalous. With increasing pressures operating on the lives of our growing young people in such fields as economics, leisure time and society in general, it seems to me that school life must include the opportunities for a forward thrust into areas of education beyond what used to be called the "formal system of education," which included only basic academic subjects in a format geared to the passing of exams and little else.

I know schools and teachers have to do the impossible, such as inculcating a love of literature in our pupils when most of their parents read only the print on TV commercials; or being honest in a society which often prides itself in the opposite form of living or being unselfish in a world which appears to be bent only on looking after "number one."

Nevertheless, in spite of the above, and in spite of the fact that of the children I taught in our schools in 1965 less than 50 per cent. attended church or Sunday School, there does exist a basic desire for some form of belief in a Christian code of living. Admittedly the motives for such a way of living often vary to startling degrees; however, we must all be made to realise the very real need to bring our children face to face with the opportunities which Christian values provide and this is ideally done in the school situation. I say "ideally" because of the above statistics and also because the Christian insights gained can be measured along side the normal academic subjects. They can also be seen to work before the pupil finds himself forced to live in the pressure of the world of industry.

I hope the role of a full-time Chaplain in the school situation is now becoming clearer. You see, it's not so much a matter of cramming Biblical knowledge into pupils as one might try with mathematics formulae or the like. Rather, the Chaplain is in the unique position of being able to imbue real, practical Christianity into the lives of these young citizens of ours in such a way that they can see that it does make sense to them in their particular life situation. He can do this because he is with the pupils every day of their school lives—not just a weekly "blow-in." He can do this because when not in the class room he is with the pupils as Counsellor and Guide performing important social work and showing care which is so often lacking today.

The Education Act of 1958 provides that "Religious Instruction may be given in any State School." That is to say, as electors we have permitted our government to legislate in this way so that such training may be given to our children. Let us then be realistic and do this task as effectively as possible. Of course, it takes money which the local com-

ALTONA B1 SOUNDLY BEATEN

Altona B1, away to Williamstown RSL, went down on the first innings in a match marred by rain.

Altona batted first and could manage only 91 of which Jones put together a very fine 57.

RSL passed Altona's score with six wickets in hand and were finally all out for 260 with Captain Gordon Walker

88 and young batsman Rob Wright 50.

The RSL effort was finally wasted with the onset of rain and they had to be content with first innings points.

RAIN SAVES LAVERTON

Inclement weather stopped Altona's chances of a win over Laverton on Saturday in the Werribee Cricket Association.

Altona declared at the over-night score of 8/201 and had Laverton in trouble early, but a fine innings of 47 by Fuller steadied Laverton. Dropped catches were costly to Altona, but with the onset of rain play was halted for the day with Laverton on 3/75.

Match drawn. Yarraville Congs., 170 (Krygger 41, M. Welsh 39 n.o., N. Richards 4/18) d. John St., 99.

Williamstown Congs had a bye.

POINTS — Williamstown Congs. 54, St. Andrew's 50, St. Stephen's 44, North Williamstown C. of C. 38, Altona 36, Electra St. 28, Christ Church 26, Yarraville Congs. 6, John St. 2.

The battle for the finals and to avoid relegation are really on with two rounds to go in the senior grades. In A Grade next week St. Andrew's play Barkly St. at Market Reserve in what could be a preview of the final.

Yarraville Congs. at home to Williamstown Congs. must win well to keep their finals

hopes alive, and St. Stephen's must beat John St. to be seen in A Grade next year.

North Williamstown C. of C., in B Grade, need an outright win against top team Newport Methodists to remain in the fight for the four. Kingsville Baptists and Seddon Congs./Tott. Baptist "play off" third place and a certain place in the finals — the loser must face the threat from North Williamstown C. of C., and a hard match in the last round. West Footscray Scots struggled against Altona Baptists in Round 2 but should win comfortably this time, while the loser of the All Saints v. Christ Church match is almost certain to be relegated.

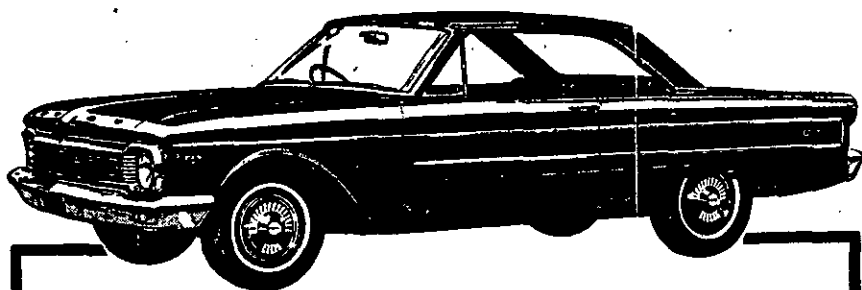

Maidstone must defeat Yarraville Pres. in C Grade to have a chance to displace Ballarat Rd. who are not really strong enough to defeat disappointing Yarraville Baptists.

With one Under 16 round to go, both fours could change.

In North Section, Maidstone should easily defeat lowly Barkly St.-Ormond Rd., and displace Hyde St.-Ballarat Rd. who have a hard match against St. Andrew's Footscray. Unbeaten Kingsville Baptists and Tott. Baptists both certain finalists, play the main match in this section.

In South Section, Altona must beat second side St. Andrew's, Williamstown, and hope that improving Christ Church can down North Williamstown C. of C., for them to make the finals. Unbeaten Williamstown Congs. play third team St. Stephen's and must win to ensure top place.

New Services at the Church of England

Some changes in Sunday Services are being introduced at St. Eanswythe's this year, in conjunction with the change in Sunday School arrangements.

Twice a month the main service, at 9.30 a.m., will take the form of Matins (or Morning Prayer), instead of being Holy Communion every week as previously. On the first and third Sundays of each month (and on the fifth Sunday when there is one) there will be Holy Communion at 9.30 a.m., and on the second and fourth Sundays there will be Matins.

The 8 a.m. Holy Communion Service will be continued each week, and also, after the Matins Services, there will be a brief Holy Communion Service for those who wish to remain and take part.

Mission to Lepers Speaker

At St. Eanswythe's Young Wives' first meeting for the year next Tuesday evening, February 8, Mr. Cann from the Mission to Lepers will be giving a talk and showing some slides concerning the work of the Mission.

The meeting, which will commence at 7.45 p.m., will open with a short service in the church, after which the ladies will move to the hall for Mr. Cann's talk, and the discussion of general business.

Sunday School Re-Organises

St. Eanswythe's Sunday School, when it recommences for the year next Sunday, February 6, will be organised in a different way from last year.

All classes will meet at the one time, 9.30 a.m., the Kindergarten being in the Vicarage and Grades 1 to 4 in the hall.

Grades 5 and upwards will attend the 9.30 a.m. church service, where there will be a talk designed for them—there will be no special Sunday School class for these grades.

These new arrangements have been made necessary by a shortage of adult Sunday School teachers.

£100 REWARD

A 40 hp Evinrude outboard motor was stolen in the early hours of last Friday morning from a boat parked in the driveway of Iluka Court, Altona.

The owner, Mr. H. Peisl, has offered a £100 reward for any person who can supply information leading to recovery of the motor.

Mr. Peisl may be contacted by telephoning 398-1109 or calling at the above address.

Altona Primary Schools

All primary schools reported increased enrolments. Teachers are sufficient in numbers though there is a shortage in several schools. Accommodation is generally adequate.

Details of the position at various schools is as follows—

ALTONA PRIMARY
Enrolments are not yet complete but total of over 700 expected. There are two teachers short and although three new classrooms were opened last August, two more are needed.

SEAOLME
Opening went smoothly. Seaholme report no problems and enrolment has increased by 30 to 430 pupils.

ALTONA WEST
There are 75 new pupils in the total enrolment of 470. The 12 rooms are fully occupied and there are sufficient teachers for the existing classes. The third and fourth grades are rather large.

BROOKLYN WEST
Enrolments increased by 30 to 480. They have ample accommodation and teaching staff is satisfactory.

ALTONA EAST
There are 142 beginners in the total attendance of 722 pupils. Accommodation is adequate. Despite the opening of the Altona North school last year new enrolments remain as high as ever.

ST. MARY'S
No problems at school opening as all enrolments organised prior to Christmas. There are 430 students and all the grades are limited to 50 pupils.

ALTONA NORTH
Number of pupils increased by 126 to 623. The 10 classrooms and five portable rooms provided sufficient accommodation but they are two

teachers short. Tenders have been called for an infant block which should be completed this year. The new Catholic school which will probably open in 1967 will ease the position at this school.

£18 IN FINES

Peter Verbeeten, of Douglas Parade, Williamstown, was charged that on November 10, 1965, at Altona East he did drive to the right of a "keep left sign" at McIntosh Road. Also that he did drive carelessly in The Broadway with driving without being licensed and with failing to keep to the left. He pleaded guilty to all charges.

The Broadway he swerved over to the wrong side of the road and went round in a circle back to McIntosh Road. When asked why he failed to keep to the left of the sign, Verbeeten said he was just following a motor cycle. He did not have a licence to drive.

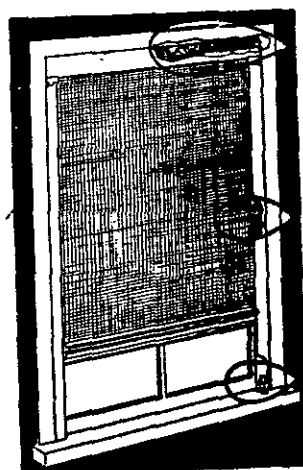

The charge of failing to keep as close to the left as practicable was withdrawn and he was fined £10 for driving carelessly, £5 for failing to keep to the left of the sign and £3 for driving without being licensed.

Constable Bellinger, of the Kingsville Police, told the Court he saw Verbeeten drive around the wrong side of an island at McIntosh Road and The Circle which had a sign "keep left." Driving around

OBITUARY

Eighty-one-year-old Mrs. Mary Elizabeth Barlow, who passed away in a private hospital on January 14, died just two months after her husband, Alfred Ernest Barlow.

The Barlows, who had lived in Mount Street, Altona, for 35 years, had been married for 64 years.

They came to Australia during the first world war and lived firstly at Williamstown, then Lilydale and Montrose before moving to Altona.

Earlier in life Mrs. Barlow was very interested and a keen supporter of RSL activities. During the second world war she helped pack parcels for servicemen.

Other interests included the Altona Primary School Mothers' Club and the Ladies' Guild of St. Eanswythe's Church of England.

The couple are survived by all 10 of their children—one daughter lives in America—and 15 grandchildren.

JUDO

A reminder that judo classes at the Church of England Hall have resumed.

Passed Matric. at 15 Years

Both the sons of Mr and Mrs Bill Walsh, who live on the corner of Pier St. and Civic Pde. Altona, have passed the matriculation examinations at an exceptionally young age.

Latest is 15 year old Kevin (his birthday was only last September). Being too young to go to university and wanting to do so, Kevin will repeat matriculation studies this year.

Eighteen year old Tony also was 15 years old in the matriculation year, he is now employed at the Altona branch of the Commonwealth Bank.

Both boys were students of St. Josephs College, North Melbourne.
